

HOLIDAYS

The Boys and Girls Club will be open during the Thanksgiving and Winter Breaks. Thanksgiving the Club will be open the 24th, 25th and 26th November from 8.30am to 5.30pm. During the Christmas/New Year period we will be open the 22nd, 23rd, 29th, 30th December 8.30am to 5.30pm. Members will be able to participate in the longer days for FREE. Non-members can join us for \$25/day or pay the annual \$100 membership fee and enjoy the Club for the remainder of the School year. During the vacation participants can chose to take part in ice skating, swimming or both for a small additional fee.

Events and Fundraising

Member Holiday Party— the Club will be holding a Holiday Party on Tuesday 23rd December from 2-5pm. Parents and family are welcome to join us for games, songs and hot chocolate.

Rail Jam— the Club is a beneficiary of the 2014 Rail Jam at Sushi Pier. We will be assisting with the raffle and members and families are encouraged to attend one of Tahoe's premier events.

Other events— look out for other fundraisers coming in 2015—help us keep the Club open!

Bricks for Kids— have your name or your company name displayed at the Club and gain automatic entry into our Club 25.26. See www.bgclt.org/bricksforkids/

Club 25.26—for as little as \$25.26 (less than you spend on coffee in a year) you can help secure the future of the Club. Go to www.bgclt.org/club-25-26 or stop by the Club to show your support for the youth of Tahoe.

Thank you for your interest in the Boys and Girls Club of Lake Tahoe. Our mission is to provide a positive and safe place for the children and youth of our community and to inspire them to be the best that they can be academically and socially.

GREAT FUTURES START HERE.

BOYS & GIRLS CLUB
OF LAKE TAHOE

Winter Program 2014/15

The Boys and Girls Club of Lake Tahoe is proud to present our Winter Program Schedule. We offer a range of activities to suit all age groups and interests; the majority of which are at no additional cost to our annual membership fee. The Club provides a safe and fun place for your child to go after school where they will have the opportunity to enhance their education, creativity, health and social skills. The Club operates at two sites: Bijou Elementary and our main Al Tahoe Facility. Please check to see which activities are offered at each site. Bijou is open from the end of school until 6pm Monday to Friday. Al Tahoe is open from 2pm to 6.30pm Monday to Friday.

We look forward to having your child as a Member of our Club.

If you have any questions please call us at 530 542 0838 or email us at

AL TAHOE

BLUE GROUP (K-1st)

MONDAY— Arts/Crafts/Play Dough: The basic principles of arts and crafts will be covered, allowing members to express their inner creativity while engaging with their peers. Play dough day will allow members to build scenes out of their favorite story book or to express their inner architect.

TUESDAY—Triple Play: Mind: The central themes of good nutrition, regular health care and improving overall well being are emphasized. **Body:** Members will engage in numerous physical activities that will help promote a healthier lifestyle, while teaching them the basic principles of team work. **Soul:** Members will be able to develop and sustain positive relationships with others, acquire a healthy concept and a strong belief in their own self-worth and cope well with positive and adverse situations.

WEDNESDAY—Master Chef: Our cooking club teaches kitchen safety, basic equipment skills, the art of seasoning, understanding and following recipes, food handling, menu design, shopping lists and many other essential skills for successful, nutritious and safe cooking. During the fall and winter season our members will have the opportunity to make and enjoy foods specific to the season.

THURSDAY—Myth Busters: Programs that expose members to the scientific method, performing experiments, learning about their surroundings, science-based games/trivia.

FRIDAY—Fun Friday: Fun Filled activities or games that promote teamwork and critical thinking.

GOLD (4th-5th)/LIME (2nd-3rd) GROUP

MONDAY—Triple Play: Mind: The central themes of good nutrition, regular health care and improving overall well being are emphasized. **Body:** Members will engage in numerous physical activities that will help promote a healthier lifestyle, while teaching them the basic principles of team work. **Soul:** Members will be able to develop and sustain positive relationships with others, acquire a healthy concept and a strong belief in their own self-worth and cope well with positive and adverse situations.

TUESDAY—Clay Tech: Members work in groups to create clay characters and story boards, and then they film and edit their own movies. Clay tech exposes club members to the art and science involved in creating animation and introduces them to a variety of career options of which they may be unaware.

WEDNESDAY—Myth Busters: Programs that expose members to the scientific method, performing experiments, learning about their surroundings, science-based games/trivia.

THURSDAY—Fun with Food: Do your parents ever tell you not to play with your food? Well now with fun with food you can! We'll make edible clays, gram cracker houses and so much more. Who knew art could taste this good.

FRIDAY—Fun Friday: Fun Filled activities or games that promote teamwork and critical thinking.

TEENS (6th and up) Teens will have a rotating schedule and choice from the following programs:

Hockey: Members will focus on the basic principles of indoor hockey like drills, formations and teamwork. At the end of the program members will have a chance to compete against one another in a head to head challenge.

Clay Tech: Members work in groups to create clay characters and story boards, and then they film and edit their own movies. Clay tech exposes club members to the art and science involved in creating animation and introduces them to a variety of career options of which they may be unaware.

Performing Arts: Improv and Drama activities that will encourage youth to get out of their comfort zones and explore what performing has to offer. Examples: Plays, short skits, re-creating fables and short stories, singing, dancing, costume play etc...

Photo Club: Offering a space of exchange and interaction between photographers. Members will have the opportunity to learn the basic principles of photography. Members will be exposed to programs like photo shop and learn how to edit photos. At the end of the program members will be able to take the photo art home.

Master Chef: Our cooking club teaches kitchen safety, basic equipment skills, the art of seasoning, understanding and following recipes, food handling, menu design, shopping lists and many other essential skills for successful, nutritious and safe cooking. During the fall and winter season our members will have the opportunity to make and enjoy foods specific to the season.

Computer Lab: Basic IT skills will be taught. Members will have the opportunity to edit photos done during photography, play educational games, make movies, expand their knowledge, search for careers and navigate the web.

Snow Skate: Members will have the opportunity to expand their knowledge, refresh their current skills, build their own terrain park, and challenge other members to races or to do the coolest tricks. You don't need to purchase a ski pass in order to enjoy the powder.

BIJOU
