## KINDERGARTEN & 1ST GRADE CAMPS

### Outdoor Painting & Natural Journaling July 13–16

Kids have a blast exploring, drawing and painting plein air. The sessions share art in nature, art history and Tahoe history with an emphasis on nature journaling inspired by John Muir Laws. Students go home with a portfolio of paintings and a journal filled with curiosity, wonder and attention.

Type: **Art** Time: **9am–12pm** Cost: **\$100/150**

### Soccer Camp July 13–16

Come join BGCLT this summer for a week of improving soccer skills. The men's world cup is here this summer and what better way to get into the world cup spirit than by joining coach Christian. Enjoy teambuilders, making new friends and fun while learning and practicing new soccer techniques and games. Ages 5-6 will focus on introductory skills like passing and first touch while 7 and older will be focusing on these skills as well as agility, field vision and dribbling. We hope to see you there!

Type: **Sports & Rec** Time: **9am–11am Ages 5–6 | 9am–12pm Ages 7–15** Cost: **\$185/210**

### Wildlife Camp July 13–17

Kinder and 1st graders join us for an exciting 4-day STEM Camp to explore the incredible wildlife of Lake Tahoe as they learn about bears, beavers, fish, owls, and ducks through observation, guest speakers, and hands-on experiments. The adventure concludes with a special field trip to Taylor Creek Visitor Center, where members immerse themselves in the natural ecosystem while building curiosity, confidence, and a love for the outdoors.

Type: **STEM** Time: **10am–12pm Kinder | 1pm–3pm 1<sup>st</sup>** Cost: **\$125/175**

### Bug Camp July 20 & 21 Aug 4 & 5 Aug 10 & 11

At various locations in South Lake Tahoe, investigating campers will look under logs and rocks, among plants, and in tree bark in search of hidden insects. They will also learn what these bugs eat and their important jobs in the ecosystem all while playing games, working on art projects, exploring Tahoe's natural beauty, and making new friends.

Type: **Natural Science** Time: **10AM–1PM** Cost: **\$10 Members Only**

## 2ND & 3RD GRADE CAMPS

### Outdoor Painting & Natural Journaling July 13–16

Kids have a blast exploring, drawing and painting plein air. The sessions share art in nature, art history and Tahoe history with an emphasis on nature journaling inspired by John Muir Laws. Students go home with a portfolio of paintings and a journal filled with curiosity, wonder and attention.

Type: Art Time: 9am–12pm Cost: \$250/300

### Soccer Camp July 13–16

Come join BGCLT this summer for a week of improving soccer skills. The men's world cup is here this summer and what better way to get into the world cup spirit than by joining coach Christian. Enjoy teambuilders, making new friends and fun while learning and practicing new soccer techniques and games. Ages 5-6 will focus on introductory skills like passing and first touch while 7 and older will be focusing on these skills as well as agility, field vision and dribbling. We hope to see you there!

Type: Sports & Rec Time: 9am–11am Ages 5–6 | 9am–12pm Ages 7–15 Cost: \$185/210

### Wind Water and Wonder Camp July 20–23

Campers in grades 2–5 explore how our landscape was formed while creating journals. Through hands-on discovery, they investigate erosion by wind, glaciers, and water, learning how plants are distributed by wind and runoff. As they record observations, campers build scientific skills in inquiry. They also develop artistic techniques like landscape studies, close-up sketches, and color-dot studies to explore light and shadow, blending science and art into an outdoor adventure.

Type: STEAM Time: 9:30am–3:30pm Cost: \$200/250

### Adventure Camp July 20–24

Description Coming Soon

Type: Sports & Rec Time: 10am–4pm Cost: \$200/250 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> Grade

### Fairy & Garden Gnomes Clay Camp Aug 3, 4, 6

Participants will sketch two imaginative house ideas, then bring one to life in clay with a tiny resident. Using slab and hand-building techniques, they'll craft their structures with care. After adding vibrant glazes, the pieces will be kiln-fired to nearly 2,000°F. Finished creations will be ready for pickup the following week.

NO WEDNESDAY Type: Art Time: Cost: \$200/250

# 4TH & 5TH GRADE CAMPS

## Adventure Camp July 13–17

Description Coming Soon

Type: **Sports & Rec** Time: **10am–4pm** Cost: **\$200/250** **5<sup>th</sup> Grade & Teens**

## Soccer Camp

July 13–16

Come join BGCLT this summer for a week of improving soccer skills. The men's world cup is here this summer and what better way to get into the world cup spirit than by joining coach Christian. Enjoy teambuilders, making new friends and fun while learning and practicing new soccer techniques and games. Description Coming Soon

Type: **Sports & Rec** Time: **10am–4pm** Cost: **\$200/250** **2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> Grade**

## Functional Pottery

July 13–16

Kids will explore clay and learn creative skills on the potter's wheel, making vessels like cups, bowls, and pots in different shapes and sizes while learning to prepare clay, center, shape, finish pieces, attach handles, decorative elements, and glaze their work. All pieces will be ready for pickup the following week.

Type: **Art** Time: **1–4pm** Cost: **\$100/150** **5<sup>th</sup> Grade Only**

## Club Campout

July 23–25

The overnight camp will take place at the Angel of Tahoe Clubhouse. Members will enjoy a glow party, play games, tell stories under the stars, and experience the Club after dark.

Type: **Overnight** Cost: **\$25** **5<sup>th</sup> Grade & Teens Members Only**

## Wind Water and Wonder Camp

July 27–30

Campers in grades 2–5 explore how our landscape was formed while creating journals. Through hands-on discovery, they investigate erosion by wind, glaciers, and water, learning how plants are distributed by wind and runoff. As they record observations, campers build scientific skills in inquiry. They also develop artistic techniques like landscape studies, close-up sketches, and color-dot studies to explore light and shadow, blending science and art into an outdoor adventure.

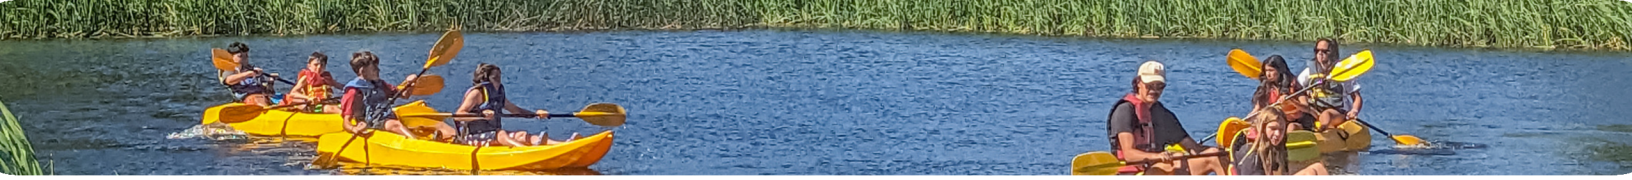

Type: **STEAM** Time: **9:30am–3:30pm** Cost: **\$200/250**

## Wooden Boat Camp

Aug 3–6

Join us for a week of hands-on sailing fun at Lake Tahoe, where campers learn to rig, navigate, and race RC sailboats while exploring sailing basics and water safety. From practicing at Kiva Beach to sailing with an experienced captain and competing in a friendly race, no experience is required.

Type: **STEM** Time: **10am–3pm** Cost: **FREE**

## TEEN CAMPS

### Makers Camp

July 6–9

Participants will design and build an invention that solves a real-world problem. Along the way, they'll explore 3D printing, woodworking, laser cutting, electricity, and motors as they bring ideas to life using engineering tools. Campers will brainstorm, prototype, and test their creations in a fun, challenge-based environment that encourages creativity. It's an engaging way for middle schoolers to grow skills, discover new interests, and gain hands-on experience that connects to real-world careers.

Type: **STEM** Time: **10am–3pm** Cost: **\$200/\$250**

### Adventure Camp July 13–17
